

**Remembering Those Who Have Gone Before Us.....
.....Praying For Those Among Us.**

Often when a loved one or family member passes away family and friends are interested in making a donation to St. Francis of Assisi Parish in memory of the deceased. Sometimes people want an intention remembered or a special occasion acknowledged. People in either circumstance are not quite sure what is available, an appropriate monetary amount or how to go about making the donation. Donors also ask if and how the memorial / intention will be acknowledged. Below are some memorial / intention suggestions and the graphic at the bottom shows how they will appear in the bulletin. An acknowledgement card stating the gift given, the memorial / intention, along with your name is also available for you to give as you would a Mass card.

Sanctuary Lamp BVM side (one week) – \$10.00

Sanctuary Lamp St. Joseph side (one week) – \$10.00
